"Cookie" technology: A "cookie" is an element of data that a web site can send to your browser, which may then store it on your system.

"IP address tracking": An IP address is a number that is assigned to your computer when you are on the Internet. When you request pages from our Sites, our servers log your IP address.

"Web beacons": A Web beacon, or "clear gif", is a small graphic image on a webpage or web-based document that a web site can use to determine information about a user.

Non-personal identification information might include the browser you use, the type of computer, technical information about your means of connection to our site-such as the operating systems and the Internet service providers utilized, and other similar information. Our systems may also automatically gather information about the areas you visit and search terms you utilize on our sites and about the links you may select from within our site to other areas of the World Wide Web or elsewhere online.

We use such information to administer the site and, in the aggregate, to understand how our users as a group use the services and resources provided on our sites. This way we know which areas of our sites are favorites of our users, which areas need improvement, and what technologies are being used so that we may continually improve our sites.

We may share this aggregate statistical information with our partners, suppliers and other third parties, but we will not share any individual names, personal navigational or other personal information. For example, we may use a third-party advertising company to serve ads when you visit our Sites. We may share demographic and preference information with this company to allow them to display appropriate advertisements for you.

Some of our advertisers may display ads on our sites which may use cookie technology to (i) identify non-personal information about our users (such as connection speed, browser and country of origin) and (ii) track user behavior within our sites. Advertisers generally use such information to customize the display of ads within our sites. We will not permit such advertisers to collect any personal information from our users within our sites.

Most browsers are set to accept cookies. You can set your browser to refuse cookies, or to alert you when cookies are being sent. If you do so, please note that some parts of the Sites, such as message boards, may not function properly.

Privacy of Children

We understand that young people need special safeguards and privacy protection. We realize that they may not understand all the provisions of our policy or be able to make thoughtful decisions about the choices that are made available to our adult users. We strongly urge all parents to participate in their children's exploration of the Internet and any online services, and to teach their children about protecting their personal information while online.

The Site is not directed to children under the age of 13. We prohibit registration by children under the age of 13 for all interactive portions of the Sites including chats and message boards. We will not knowingly collect personally identifiable information from children under 13.

We may, at our discretion, require users under 18 to obtain the consent of a parent or guardian to view certain content, and we may limit access to certain content to users above a specified age. You agree to abide by any such restrictions, and not to help anyone avoid these restrictions.

Links To Other Sites

Users will find advertising or other content on our sites that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the contents or links that appear on these sites. In addition, these sites or services, including their contents and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies, or no policy (policies) at all. We encourage you to review the privacy policies of any third party sites or services before providing any of them with your personal information.

Security Policy

Protecting your privacy and your information is a top priority. We have taken careful measures to secure both your information and our physical premises. We exercise great care in providing safe transmission of your information from your PC to our servers (unless sent by a means outside of our control, such as e-mail).

Choice/Opt-Out

If you "opt-in" to receive information from us or others, you can change your mind later. If at any time you would like to stop receiving such information send an e-mail to info@dazzlindiva.com. You should be aware, however, that it is not always possible to completely remove or modify information in our databases and servers although we will always make reasonable efforts to do so upon your request.
