HOST A WARM SPIRIT *GATHERING **1** of **3** WAYS

1. CATALOG	Hosting a catalog gathering simply means obtaining 5 or more orders from individuals on behalf of your distributor. The orders can be generated from family, friends, co-workers and/or yourself. You and your distributor will determine the duration of your catalog gathering. Once scheduled you will be supplied with 2 – 3 samples (you get to keep) and order forms. At the end of the catalog gathering you will return all order forms to your distributor for processing.
2. Virtual	The new millennium of the in home gathering – Virtual! A great option for men and women on the move. A virtual gathering invitation is forwarded to all of your guests. Confirmed attendees can receive a catalog, samples or other goodies in the mail (subject to size of your distribution list and distributor). All orders are submitted on-line on the distributors' website (or warmspirit.com if distributor does not have a site) and the wonderful products are delivered right to your guests door.
3. In-home	Been a while since you've seen some good friends? Interested in a spa party? Girls Night Out? Bridal or Baby shower? Well why not have an in-home gathering. Schedule a date with your distributor. Provide him/her with your invitation list and they will coordinate with you to create a wonderful fun-filled event. Products will be displayed and sampled. You and your guest will be relaxed and pampered.

Upon the conclusion of any type of gathering you will receive:

- 50% off any product in the catalog (except Perfect Packages)
- 20% buying credit (redeemable immediately) of \$200+ in sales as a direct result of your gathering
- 15% buying credit (redeemable immediately) of \$199.99 in sales as a direct result of your gathering
- Warm Spirit Gift Certificates in the amount of \$15 to \$45 towards future orders if guests of your gathering book one of their own.
